

Collaboration with Örebro University, Sweden

Within the collaboration framework of the National Hellenic Research Foundation and the University of Örebro, Dr. Aristotelis Xenakis is Docent Professor at the School of Science and Technology, Faculty of Business, Science & Engineering.

The collaboration of Biomimetics & Nanobiotechnology team of NHRF with the MTM team (Prof. Bert Van Bavel) of the University of Örebro led to two doctorates. Dr. Argyro Kalaitzaki (Chemical Engineer, MSc from National Technical University of Athens) and Dr. Maria Chatzidaki (Chemical Engineer, MSc from Imperial College London) obtained their PhD in 2014 and 2016 respectively.

Dr. Maria Chatzidaki with her examinations committee, opponent and supervisors
