- K. Franzen, Docent
- M. Ivarsson, Docent
- I. Rangel, Docent
- N. Venizelos, Professor Emeritus

Participating Organizations

National Hellenic Research Foundation (NHRF)

- Institute of Chemical Biology (ICB)
- Theoretical and Physical Chemistry Institute (TPCI)

School of Medical Sciences (SMS) & School of Health Sciences (SHS), Örebro University (ÖRU)

- Cardiovascular Research Centre (CVRC)
- Inflammatory Response and Infection Susceptibility Centre (iRiSC)
- Nutrition-Gut-Brain Interactions Research Centre (NGBI)

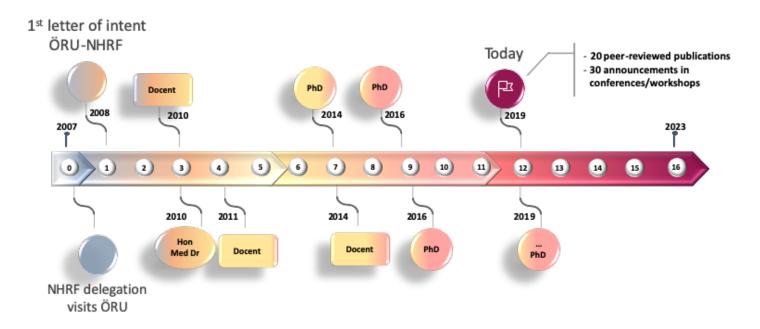

Additional organizations

- Hellenic Pasteur Institute
- Harokopion University
- National and Kapodistrian University of Athens
- EEMEG

History - Background

The Örebro University has a long-standing cooperation with NHRF that dates back to 2007. The cooperation was formally established in 2008 and was marked with a Letter of Intent signed by both sides declaring the mutual intention of the two organizations to collaborate in the areas of Medical and Life Sciences research. It has already led to four conjoint PhD students (three complete PhD thesis), three Docentships, 20 publications in peer-reviewed journals and 30 proceedings in scientific conferences/workshops (for the ÖRU-NHRF cooperation timeline, see below).

ÖRU-NHRF cooperation timeline

Aim

The 12th Swedish-Hellenic Life Science Conference will address selected thematic areas on Healthy Ageing and Nutrition including related diseases, in the fields of research interests developed in the Örebro University and the National Hellenic Research Foundation.

Invited speakers

Dr Peggy Lymberi, Research Director, Immunology Laboratory, Hellenic Pasteur Institute

Ms Katerina Bograkou Tzanetakou, Psychologist BA, MSc, MBPsS, British Psychological Society, Public Health Practitioner (Faculty of Public Health UK), Assoc. member of the Hellenic Society of the Study and Research of Ageing

Assoc. Professor Mary Yannakoulia, Department of Nutrition & Dietetics, School of Health Science & Education, Harokopion University

Dr. Georgia Saxami, Department of Nutrition & Dietetics, School of Health Science & Education, Harokopion University

Sessions

Session 1: Nutrition and Healthy Ageing

Session 2: Biomarkers for Healthy Ageing

Session 3: Ongoing and new cooperation activities $\ddot{\text{O}}\text{RU}-\text{NHRF}$

Session 4: Strategic plan for future conjoint education activities between ÖRU – NHRF: 2019-2025

Programme, Thursday October 10 th 2019 *			
09:00-09:30	Registration		
09:30-09:45	Day 1- Welcome Introduction to the Conference - Opening salutation Dr Alexandros Pintzas, Director of ICB-NHRF Prof. Nikolaos Venizelos, School of Medical Sciences, ÖRU		
Session 1	Nutrition and Healthy Aging Chair: Dr Vassiliki Pletsa, Dr Ignacio Rangel		
09:45-10:20	Prof. Mary Yannakoulia Department of Nutrition & Dietetics, School of Health Science & Education, Harokopio University	Nutrition and cognitive decline: the role of the Mediterranean diet and lifestyle	
10:20-10:40	Ms. Mary Vlassopoulou Department of Nutrition & Dietetics, School of Health Science & Education, Harokopio University & ICB-NHRF	The role of β -(1 \rightarrow 3,1 \rightarrow 6)-D-glucans of edible mushrooms in disease prevention and health promotion	
10:40-11:00	Dr. Georgia Saxami Department of Nutrition & Dietetics, School of Health Science & Education, Harokopio University	Development of a novel functional food enriched with β-glucans of edible mushrooms from Greek habitats- The FUNglucan project	
11:00-11:20	Coffee Break		
Session 2	Biomarkers for Healthy Ageing Chair: Prof. Magnus Grenegård, Dr Theodora Katsila		
	Keynote Lecture		
11:20-12:00	Natural antibodies in healthy ageing Dr Peggy Lymberi, Research Director, Immunology Laboratory, Hellenic Pasteur Institute		
12:00-12:15	Prof. Nikolaos Venizelos / Prof. Magnus Grenegård School of Medical Sciences, ÖRU	-The Ikaria demography study -Planned study population & sample analyses	
12:15-12:45	Dr Stathis Gonos, Research Director ICB-NHRF	Longevity assurance molecular pathways in humans	

Psychologist BA, MSc, MBPSS and Ageing. A systems approach	12:45-12:15	Katerina Bograkou Tzanetakou	Inflammation in relation to Mood, Nutrition
