

Principal investigator in one European Reintegration Grand and Participant (as young researcher) in six national and international research projects in collaboration with academic organizations (national: Bilateral Scientific Schemes; EU: ESF, TOK).

Conferences and Invited Talks

28 international and 10 national conferences.

Honors and Awards

- Selected to attend the Lindau Nobel Laureate Meeting, Germany (June 2009).
- Young researcher award for the poster presentation entitled "Polymer Decorated Carbon Nanotubes Templating the Growth of CdS Nanoparticles: Towards Intramolecular Charge Transfer Processes", 3rd Workshop on Nanoscience and Nanotechnologies, Thessaloniki, Greece, July 2006.
- One of the most promising young researchers in Greece according to the Greek daily newspaper Imiresia (paper magazine vol. 74 10/12/2005).
- Selected to attend the school "The 2004 Lectures in Chemistry and Physics: The Nanotechnology Revolution", founded by Onassis Foundation and organized by Foundation of Research and Technology, Crete, Greece (July 2004).
- Postgraduate Fellowship from the State Scholarships Foundation of Greece (2003-2004).

Publications

38 original publications in refereed journals, 3 publications in conference proceedings, co-author of 1 chapter in a book and 1 chapter in an encyclopedia, 4 review articles, more than 350 citations.
