

**Theoretical and Physical Chemistry Institute  
National Hellenic Research Foundation**

**Vass. Constantinou 48, Athens**

**LECTURE**

**“Immunological and conformational characterization of  
synthetic peptide probes for autoimmune diseases”**

**Dr. Matthaia Ieronymaki**

**Laboratory of Peptide & Protein Chemistry & Biology,  
Department of Chemistry,  
University of Cergy Pontoise Neuville sur Oise,  
France**

**Thursday, March 15, 2018, 12:00**

**Seminar room, ground floor, NHRF**
